

Are YOU interested in being a
judge at ACE Innovation?

It's easy to volunteer; details below!

INNOVATION

Date: Saturday, April 26th

Where: Thompson Conference Center

Expectations: When you approach students' invention board, interactive table, or business they will present a form that explains who they are, what their entry is, and why they were inspired to create. You will listen to their stories, ask questions, and write comments directly on the form. That's all! Turn in all forms at the front desk and we will deliver them to the students. Try to speak with as many students as you can. And when you're not judging, enjoy all that ACE Innovation has to offer!

What: ACE Innovation is an event that allows ACE students and the Austin community to come together and share their innovative and creative thinking. You will meet adults and children displaying their work and sharing their interests with others.

ACE Innovation 2014

Website: www.aceinnovation.org

Email your confirmation to: aceinnovation@austingifted.org subject line: Judge
Include the information below in your response.

1. Yes! I will be an ACE Innovation judge!
2. My name and contact information is...
3. I would like to judge from (*choose as many as you would like*):
 - 1:00 - 1:45
 - 3:00 - 3:45
 - 4:00 - 5:00

NOTE: Judges who work all 3 time slots will receive a lunch ticket on us! You are also free to explore all the amazing booths and interactive tables on site. If you want to listen to our keynote speaker: Josh Baer, get there early!
